

Scottish Oceans Institute Open Day 2020

University of St Andrews

University of
St Andrews

School of Biology
School of Mathematics & Statistics
School of Earth & Environmental Sciences
School of Geography & Sustainable Development

Friday 3 April

9.30am-2.00pm

Saturday 4 April

10.00am-5.30pm

Everyone is warmly invited to visit the new, state-of-the-art Scottish Oceans Institute building, where there will be displays and activities about the marine environment as well as staff on hand to talk about the exciting research taking place in St Andrews. Come along and see how the Gatty Marine Laboratory has been transformed.

Venue: Scottish Oceans Institute, East Sands

The University of St Andrews is a charity registered in Scotland, No: SC013532.
